Unit 1 / 94 Tamborine Crescent, Banya, Qld, 4551

Lower Level House Size	113.5m ²
Alfresco Area	10.6 m ²
Front Entry Porch	3.0 m ²
Upper Level House Size	79.6 m ²
Total Duplex House Size	206.7 m²
Duplex Land Size	300m ² Approx (509m ² Total Site)

Appraisal Summary:

Construction is soon to get underway on these impressive units with completion scheduled for June, 2024 and finalization of the individual titles to be completed in July, 2024.

These are large duplex's, larger than a great many nearby houses, impressive externally, spectacular and spacious internally with upmarket inclusions to rival any duplex in Aura. Unit one is the larger of the two units at 207m².

Several parks, sporting fields, shopping facilities, walking trails and cycle paths on your doorstep with tree-lined veloways connecting you to the whole Aura community. Recently completed nearby road links will make both the beach and the commute to Brisbane much easier and far more efficient.

The two impressive units are built at right angles to each other to ensure complete privacy to one another with a sound and fire proof gyprock party dividing wall between the units.

Lower level includes a guest bedroom, complete with wardrobe and elegant ensuite. Spacious living and dining areas, modern kitchen with three door pantry, powder room, large alfresco area, broom closet, internal laundry, storage cupboard and double garage.

Upper level provides three more bedrooms; the large master bedroom with spacious walk-in-robe and stylish ensuite. Open retreat area to act as a lounge or activities room, main bathroom, separate wc, and step-in linen.

Air-conditioned living areas and main bedroom, quality range of sun block blinds to all windows and glass sliding doors, fully fenced and landscaped in compliance with development covenants.

Instant street appeal and to be sold as fully finished, allowing the new buyer to simply move in with everything completed and ready for occupancy.

Corner location with each dwelling having its own separate title with no body corporate fees.

Available to be secured now, prior to completion and eligible for the new \$30,000 first home owner grant for those who qualify.

Inclusion List:

- Category one acoustic requirements allowed for
- Colorbond roof with insulation blanket (Sarking) installed to the underside of the roof sheeting
