Appraisal Summary:

29 Carnarvon Crescent, Banya is due to start construction in May with an expected September completion date. Based upon the popular 108 Great Keppel Way version, this privately built home is designed to have a spacious feel with larger room sizes and feature raked ceilings to the living areas.

An abundance of quality throughout with upmarket inclusions including ducted air conditioning and hybrid wooden flooring.

Four bedrooms with a media room that can easily be made into a fifth bedroom or retreat, giving the owner multiple living options, and tailoring to a variety of family size and situations.

The master bedroom is at the rear of the property with an expansive walk-in wardrobe and spacious, upmarket ensuite. Bedrooms two and three are to the front of the property, each with built-in wardrobes and located to offer privacy to the remainder of the home.

A spacious media room with cavity sliding doors allow for dual living areas, situated opposite the dining and living area.

Elegant kitchen with stone bench tops, waterfall edge, undermounted sink, stainless steel appliances and sizeable walk-in pantry, high quality fixtures and fittings, dishwasher, rangehood and gas cook top.

Plenty of storage, clothes drying court from the laundry, double garage with remote controlled panelift door and epoxy painted floor, and private outdoor entertaining area

Ample yard, fully turfed, fenced and decoratively landscaped.

Built by a well-known, reputable, local, private builder and available to be secured on a \$5,000 deposit with settlement upon completion.
