Bedrooms	Four
Bathrooms	Two
Garage	Double
Features	Ensuite, WIR, Air Con
House Size	187.7 m2
Suit Land Size	320 m2 & more

Appraisal Summary:

Complete yet allowing for customisation.

Oxford is a modern, street appealing, four-bedroom home with a total width of 11.25m, making it ideal for 12.5 frontage.

The **Oxford** floor plan incorporates four bedrooms; the master at the rear of the property, ensuring privacy from the remaining bedrooms and complete with spacious ensuite and large walk-in wardrobe.

Numerous features including; double garage, broom closet, double door linen cupboard, 2550mm (8 foot 6 inch) high ceilings throughout, quality range of 600x600mm tiles and carpet throughout, well designed modern kitchen with Omega stainless steel gas appliances, and island breakfast bar.

Roofed exposed aggregate concrete alfresco, fully fenced, fully turfed back garden, decorative garden beds and turfed front garden, side access gate, exposed aggregate concrete drive, street appealing front elevation.

The package is 'ready to move in' with an impressive range of quality inclusions throughout.

Built by a local, hands-on builder who ensures a high-quality construction and efficient build times. Read on to see what the **Oxford** package includes ready to be purchased and built upon your land.

Note: The MaveriX Property Marketing Private Built Range are designed to offer fully finished, ready to move in packages to those who have sourced or are in the process of sourcing their own land. These packages have been previously built by private, local builders who maintain their copyright for all plans and specifications. While inclusions can be customised and floor plans altered to suit your block, aspect, dimensions, budget or needs, these packages are designed to be purchased 'as is' and are quoted accordingly.

Please enquire for further information, to build, or to discuss customisation.
